By the City Mayor

Executive Order No. 43
Series of 2016

**Creating the Different Technical Working Groups (TWGs) in the
Preparation of the Comprehensive Development Plan (CDP) and Local
Development Investment Plan (LDIP) of Angeles City.**

WHEREAS, the City's current CDP covers a period of 6 years (2010 – 2016), and is now on its last year of implementation.

WHEREAS, the term "comprehensive" in the CLUP (the long-term plan) is to be understood in its geographical, territorial sense, the term "comprehensive" in the CDP has to be understood in the sense of "multi-sectoral" development. The CDP, to be comprehensive, must cover the five development sectors: social, economic, physical, environmental and institutional.

WHEREAS, approaches to the CDP preparation should be inclusive, participatory, and consultative. The most proper avenue for multi-stakeholder participation is the Local Development Council (LDC) where non-governmental organizations are allocated one-fourth of the total membership - where they can be active partners in the pursuit of local autonomy. The other component of the local planning structure is composed of non-elective officials of the LGU, particularly the City Planning and Development Office, department heads, special bodies, sectoral and/or functional committees of the LDC, chiefs of national government agencies stationed in the LGU, and private sector representatives.

By virtue of the powers and authority vested in me by the Local Government Code of 1991 (R.A. 7160) which explicitly directs Local Government Units (LGUs) to ensure participative planning and plan ownership on the part of the stakeholders of Angeles City, I, EDGARDO D. PAMINTUAN, City Mayor of Angeles, hereby order the creation of the different multi-sectoral Technical Working Groups and defining their individual functions.

SECTION 1 COMPOSITION. These Technical Working Groups shall be composed of the following:

SECTION 2 FUNCTIONS. These Technical Working Groups shall have the following functions:

- A. Executive Committee (Execom). It shall function as a clearing house. All outputs of the different TWGs will be cleared and reviewed by the Execom in order to ensure that the different portions of the plan are properly coordinated and dove-tailed with each other, and are consistent with the development agenda of the administration.
- B. Development Administration. It shall be responsible in facilitating the preparation of the Development Administration chapter of the CDP. It will also facilitate the identification of the development administration issues and concerns, sectoral objectives and targets, as well as the formulation of strategies and policies including the identification of programs and projects. It will also participate in the preparation of the LDIP especially in the Goal-Achievement-Matrix (GAM) workshop.
- C. Economic Development. It shall be responsible in facilitating the preparation of the Economic Development chapter of the CDP. It will also facilitate the identification of economic issues and concerns (in agriculture, industry and services, and tourism), sectoral objectives and targets, as well as the formulation of strategies and policies including the identification of programs and projects. It will also participate in the preparation of the LDIP especially in the Goal-Achievement-Matrix (GAM) workshop.
- D. Social Development. It shall be responsible in facilitating the preparation of the Social Development chapter of the CDP. It will also facilitate the identification of social issues and concerns (in housing, health, education, social welfare, sports and recreation, public order, safety and protection), sectoral objectives and targets, as well as the formulation of strategies and policies including the identification of programs and projects. It will also participate in the preparation of the LDIP especially in the Goal-Achievement-Matrix (GAM) workshop.
- E. Environment and Natural Resources Management. It shall be responsible in facilitating the preparation of the Environment and Natural Resources Management Development chapter of the CDP. It will also facilitate the identification of environment and natural resources issues and concerns, sectoral objectives and targets, as well as the formulation of strategies and policies including the identification of programs and projects. It will also participate in the preparation of the LDIP especially in the Goal-Achievement-Matrix (GAM) workshop.
- F. Physical and Infrastructure Development. It shall be responsible in facilitating the preparation of the Physical and Infrastructure Development chapter of the CDP. It will also facilitate the identification of physical and infrastructure development issues and concerns, sectoral objectives and targets, as well as the formulation of strategies and policies including the identification of programs and projects. It will also participate in the preparation of the LDIP especially in the Goal-Achievement-Matrix (GAM) workshop.

SECTION 3 SECRETARIAT AND ADMINISTRATIVE SUPPORT. The City Planning and Development Office shall act as the Secretariat. It shall coordinate and provide administrative assistance to the Different Technical Working Groups in the preparation of the different planning and development tools of Angeles City.

SECTION 4 EFFECTIVITY. This order shall take effect immediately.

Done in Angeles City on December 1, 2016.

Approved:

HON. EDGARDO D. PAMINTUAN
City Mayor

Attested:

LEONARDO KIRK I. GALANZA
Secretary to the Mayor
